```
body> <section id="content">
```

9. **Error** The element [footer](#) must not appear as a descendant of the [footer](#) element.

[From line 236, column 7; to line 236, column 66](#)

```
er> <footer class="page-footer fixed-bottom font-small bg-dark"> <!
```

Document checking completed.

Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Empty textual alternative—Omitted from non-graphical presentation

The following images are marked to be omitted from non-graphical presentations (`alt=""`).

Purely decorative images belong in this category. Also, iconic images that are redundant with text next to them belong here.

If the page would become less understandable if the presence of an image was concealed, the image doesn't belong here. In that case, a textual alternative should be supplied or if the markup generator does not have a textual alternative available (because the user refused to provide it), the `alt` attribute should be omitted by the markup generator.

Image	Location
Not resolvable	From line 35, column 13; to line 35, column 106

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided.

Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
<i>Not resolvable</i>	Collaborator	From line 116, column 50; to line 116, column 150
<i>Not resolvable</i>	Collaborator	From line 118, column 82; to line 118, column 182
<i>Not resolvable</i>	Owner	From line 140, column 9; to line 140, column 102

100.            <p> A história da música em Portugal não
seria a mesma sem o Festival Paredes de Coura. Ao longo dos seus 26 anos
de existência, o mais antigo e carismático festival português tem feito
história na descoberta de novas promessas musicais e na apresentação dos
nomes mais consagrados da música a nível mundial. Com uma programação
cuidada e coerente, sempre fiel ao espírito alternativo que o
caracteriza, o Festival Paredes de Coura, que acontece junto à praia
fluvial do Taboão já foi considerado um dos 5 melhores festivais de
música da Europa pela revista Rolling Stone. Arcade Fire, Pixies, Nick
Cave, PJ Harvey, Coldplay e Morrissey, são apenas alguns dos nomes que já
pisaram o palco deste festival. Depois de um ano que ficou marcado na
memória das mais de 100.000 pessoas presentes na última edição o
Vodafone Paredes de Coura está de regresso nos dias 19, 20, 21 e 22 de
Agosto 2020.</p>↵
